

# Gang Starr Lyrics

## "Stay Tuned"

[Verse 1:]

Get with this get with this  
get with this cuz you got no choice  
Rappers sometimes you'll find make dough  
but yo you know they've got no voice  
get him off the podium he ain't no speaker  
yes he's just a phony and look at his sneakers  
played out of style out of rhymes  
he's out his mind  
lost his way lost his pay  
I'm takin' his props so call the cops  
you can call 'em but I know 'em  
Sweet MCs I think I'll ho 'em  
cuz they front so very hard and big or small  
I'll break 'em all  
Ain't gotta say that I'm the best  
my skills will show I passed the test  
when it comes to beats and rhymes  
we come correctly everytime  
and stay tuned

[Chorus:]

stay tuned...

[Verse 2:]

with information like the CNN  
I can take you there and then  
the rest is up to you to choose  
the bottom line is win or lose  
suckers suckers suckers don't be listening  
so I can't be waitin' on 'em  
I ain't got no time to play, do you?  
look at the state of things and tell me true  
in the city any city life's a paradox of good and evil  
Many fall into the vicious cycle  
living by the gun or by the rifle  
think they got a reason that ain't really sure  
the death toll rises more  
it's trife the way some live life  
I love rap, I like the city  
but for a fool I have no pity  
there's too much suffering too much struggle  
too much injustice and don't it bug you  
enough for you to press on harder  
against the odds the way our forefathers  
made away but foolishly we go astray  
think about it and stay tuned

*[Chorus]*

*[Verse 3:]*

What you really oughta do is lay back smooth  
as my vocals compliment the slow fat groove  
    just for you to blast around the way  
play it nice and loud and hear me say  
    Gang Starr is hitting '92 and on  
showing how to make a dope rap song  
    doing this while some disperse  
    then dissolve like specs of dirt  
our music pertains to those who remain  
down with the real not wealth or the fame  
    peace out, we'll be back, stay tuned...

*[Outro:]*

Please stay tuned
